Enclosure No

Sir,

With reference to your memo No S.1.C.C. 12/31-32 dated 18th instant calling for a report regarding my age. I have the honor to report that the entry in the Civil list pertaining to my age is - correct. I may also invite kind reference to the Medical certificate regarding my health and age, granted by the Civil Surgeon who examined me, when I first entered into Government service

I beg to state further, that my life has been insured in the State Life Insurance Branch, and that on furnishing satisfactory evidence, my age as entered in the Civil List has been accepted as correct, thus there has been no discrepancy about my age.

As regards the alleged discrepancies in the age of my younger brother Mr Mohamed Alim Ulla Khan, I beg to state, I am unable to explain. how the confusion has arisen. I can however state positively that 1885 is not the correct date of birth of my brother Mr Mohamed Alim Ulla Khan, who is younger than myself.

I have the honor to be,
sir,
Your most obedient servant,

Hyder Ali Khan
Assistant Commissioner,
Chikballapur Sub-Division.
